08 September 2021

Dear Parent / Carer,

Engagement Evening 30th September 2021 (0004-21KCR)

We would like to invite you to attend our Year 7 Engagement Evenings, the first one being on the 30th of September 2021 between 4:30pm and 6:30pm.

The engagement evenings are an opportunity for you to experience the different curriculum your child will learn throughout their time at Longfield. The engagement events will cover a broad range of subjects, with two different subjects showcased at each event. Please see the dates and timings of the sessions on the attached document.

On the 30th September 2021, the subjects will be Computing and Maths. In the Computing session, you will be shown how to use the different technologies used at Longfield and will be provided with some information on how to keep your child safe online. For the Maths session, the Maths department will go through many key skills and methods that are used by your child at Longfield, allowing you to support your child at home with homework and retrieval strategies.

During the course of the evening, Miss Metcalfe - Transition Coordinator, will be available to answer any questions you may have regarding your child's transition to Longfield as well as offer any further information or support regarding school procedures.

Refreshments will be available at the end of each session. At the first engagement evening, a hamper, kindly been donated by Morrisons North Road, will be raffled free of charge to one lucky family.

We hope that you can attend the first evening on the 30th of September 2021. To indicate your attendance and how many from your household will be attending, please complete the forms questionnaire below **by Monday 13th of September 2021**.
