Dear Parent/Carer,

Re: Year 11 Mock Exam Timetable November 2021 (0025-21CPO)

I am writing to inform you of further details regarding the forthcoming Year 11 Mock Exams. These will take place in school, over a two-week period between **Tuesday 2nd November and Friday 12th November 2021**.

These examinations are an essential part of preparations for your child's GCSE examinations. It is an opportunity for pupils to experience the preparation and organisation that will be required in the summer.

Mock examinations will allow subject teachers to gain a real understanding of the level at which pupils are currently performing; assess your child's current knowledge and understanding of each subject, as well as how they perform under exam conditions.

The results of these assessments will help us to arrange for targeted support and intervention to address any areas in need of development, as well as providing initial information for tiers of examination entry, and to enable us to best support your child in the remaining terms of school.

Pupils should attend school as normal during the examination period and subject teachers will arrange for them to attend their examinations at the appropriate time. Please note that normal lessons will take place when your child is not in an examination.

As always, pupils must arrive in full school uniform and bring the following necessary equipment for each exam in a clear pencil case. Water must be stored in clear bottles without labels. Watches and other electronic devices are not permitted in examination rooms and must be stored in pupils' bags.

We have enclosed a full timetable and an individual mock timetable for your child. Please note that exam rooms and seats allocations are subject to change; pupils must check seating plans prior to entering the examination.

We would like to wish pupils all the very best during this period and appreciate you working with us in ensuring your child understands the importance of these exams.

If you have any questions please do not hesitate to contact me via main reception or by email cpotts@longfield.swiftacademies.org.uk

Yours faithfully,
