14th January 2022

Dear Parents / Carers,

Re: 0062-21NLI – Head of School Update

We are pleased to announce that our staffing levels are due to significantly increase from Monday 17th January 2022, as several members of staff return to school.

We are extremely grateful for your patience and cooperation throughout the last fortnight as we operated with reduced staffing.

As of Monday 17th January 2022, we expect all year groups to be back in school.

We are extremely enthused by how the term has started in terms of attitude, ethos and pride. We look forward to next week when we will be near to full staffing and have all the year groups back in the building.

If your child is continuing to learn remotely for isolation purposes or an alternative pre-arranged reason, please continue to contact Miss Eldrington if you require any support.

As ever, a school exists for children - to maximise academic performance so that they can have enriched adult opportunities and to support families so that welfare and aspirational need is met.

Please continue to engage with the school as we work together to shape positive futures for our children.

Yours faithfully,

Mr N Lindsay
Head of School
