

#WE ARE LONGFIELD FORTNIGHTLY UPDATE

MESSAGE FROM MR RAWLE, DEPUTY HEADTEACHER

As we are halfway through the Autumn term, I think it is a good opportunity to reflect on the positive start that pupils have made in terms of their learning.

I'm delighted Longfield is returning to normality in terms of how we are able to deliver our curriculum. It has been great to see pupils back in classrooms and fully engaging in their lessons.

It is vital that pupils continue to fully engage in all subject areas, and this is why we have designed a curriculum that allows the uniqueness of each individual subject to energise and educate our pupils, whilst meeting their needs along the way.

I would also like to congratulate our pupils on how they are using the new homework strategy and look forward to seeing their continued efforts in this area for the remainder of the Autumn term.

(CAREERS)

On the 27th of September 125 Longfield pupils attended Queen Elizabeth College to get a flavour of college life. Over the morning pupils experienced two taster sessions in subjects they were interested in.

For many of our pupils it gave them a real insight into possible options available to them at post 16 and will help them make inspired informed choices on their future.

POST - 16 OPTIONS EVENING, MONDAY 4TH OCTOBER FROM 5:00PM
