Dear Parent / Carer,

Re: GSK Early Careers Day (0028-22GSM)

Your child has expressed an interest in attending the Early Careers Open Day at GSK, Barnard Castle on Thursday 20th October 2022.

The visit provides an opportunity for pupils to:

- Gain a better understanding of GSK and what they do
- Explore the different types of apprenticeship available at advanced, higher and degree levels
- Find out what the apprentices do on a day-to-day basis
- Gain an insight into the recruitment process
- Look ahead and find out about opportunities for university students and graduates

The visit will also include the chance to engage in activities related to the different job roles including laboratory science, engineering, business, supply chain, data science, safety and packaging technology and operations.

On the day, pupils will leave school at 9.00am and travel to GSK via school minibus. Pupils will return to school at approximately 11.30am for the start of Lesson 3.

If you would like your child to attend, please complete the online consent and indemnity form (link below) no later than 3.00pm on Wednesday 19th October 2022.
