Dear Parent / Carer,

Re: Year 7 & 8 Geography Rewards Visit 2023 – Newcastle Quayside & Life Science Centre (0162-22SCR)

On Friday 30th June, Year 9 pupils will visit Newcastle Quayside and the Life Science Centre as part of their Geography course. There are still a small number of places to be filled. With this in mind, we are delighted to offer the opportunity for Year 7 and 8 pupils to take part in the visit as a reward for their hard work in Geography lessons this academic year. The visit is open to the Year 7 and 8 pupils who have achieved the highest number of green clicks in their Geography lessons. Due to limited spaces, places will be awarded on a first come first served basis.

During the visit, pupils will have the opportunity to study the regeneration of the Quayside and the development of the urban environment. Pupils will also visit the Life Science Centre and take part in a workshop about green energy and focus on a sustainable future.

On the day, pupils are to attend registration before making their way to the dining hall. Pupils will be travelling to the destination by coach. We aim to return to Longfield by approximately 3:30pm. Pupils will not be required to wear school uniform; however, they must ensure they wear appropriate clothing for the weather conditions as well as suitable footwear for walking throughout the day. Pupils will also need a packed lunch and refreshments. If your child is entitled to a free school meal and would like a packed lunch provided by the school, please indicate this when completing the online consent form.

Please note there is no cost for this visit.

We appreciate the short notice regarding this visit, however, if you would like your child to attend the visit, please register your child's interest by completing the online consent & indemnity form (link below) no later than 3.00pm Wednesday 28th June 2023.

[Y7 & Y8 Geography Rewards Visit - Friday 30th June 2023 - Consent & Indemnity Form \(please use this link\)](#)

After the window for registration closes, places will be allocated, and a confirmation email will be issued to inform you if your child has been successful in securing a place.

If you have any further queries regarding the visit, please do not hesitate to contact me via main reception on 01325 380 815 or by email scochrane@longfield.swiftacademies.org.uk

Yours faithfully,

Miss S Cochrane
Head of Geography
