Re: Autism in Schools Project & Parent / Carer SEN Forum (0163-22DGR)

As you are aware, Longfield Academy is taking part in the NHS Autism in Schools project. Autism in Schools is a national project that aims to improve the outcomes of children and young people with special educational needs – not just those with autism.

Longfield are working closely with Darlington Parent / Carer Forum to establish a peer-to-peer network within school. We recently held our first forum, which provided an opportunity for parents / carers of children with special educational needs to share experiences, offer support, and develop a voice to make positive changes for their children.

Longfield Academy will host our next SEN Parent / Carer Forum at school on **Tuesday 11th July 2023, 10.00am – 12.00pm** in the Main Hall.

If you would like to attend the event, please register your interest using the link below:

If you have any questions regarding the event, please do not hesitate to contact me via main reception on 01325 380 815 or by email dgriffiths@longfield.swiftacademies.org.uk

Yours faithfully,

Mrs D Griffiths
SENCO
